LOOKING FOR LOCAL PROTEIN PRODUCERS? IDAHO FARM-RAISED MEAT GUIDE

We've curated a list of Idaho Preferred farmers and ranchers who provide direct purchase options for Idahoans to find locally raised meat options. Idahoans can conveniently purchase shares of turkey, lamb, bison, pork, beef, and more directly from the producers' websites or market stands.

Producers interested in being added to the guide are encouraged to reach out to the Idaho Preferred Team today.

www.idahopreferred.com/farmraisedmeatguide

Support Idaho Farmers!

LEARN MORE ABOUT COMMUNITY SUPPORTED AGRICULTURE

www.linktr.ee/idahopreferred

Contact an Idaho CSSA Producer today to reserve your farm shares for a steady supply of fresh produce, protein, dairy, flowers, and other Idaho-grown goodness during the 2025 harvest season! Community Supported Agriculture (CSA) allows you to invest in a share of the farm's crop or animal upfront, supplying farmers and ranchers the working capital they need to start the season. As the season progresses, you'll receive a portion of fresh-harvested foods.
